

# BAND LOCK-IN POSTPONED

Each year since beginning the lock-in fund raiser around 80 students attend with a larger number gathering contributions. As of the end of the day Wednesday this number stands at 25.

There are several students needing extra time to bring in their donations. Since it is not desirable to do any additional fund raising during the year I have decided to select an alternate date for the lock-in.

**Please look over each of the dates below and circle if your son/daughter is able to attend.** I want to set the new date by the beginning of next week. (The time will remain the same: 10:00 PM Friday until 6:30 AM Saturday.)
